

SKY SUITE WEST SPONSORSHIP

at the Southeast Event Centre

SPONSOR OUR EXCLUSIVE SKY SUITE WEST SPACE!

Featured inside the West Suite next to the Media suites, your brand will be visible to thousands in one of our premium locations for advertising within the building.

Visible year-round to the entire arena bowl, sponsorship of this suite presents a fantastic opportunity to be associated with this unique and exceptional space in the Southeast Event Centre. Engage with colleagues or host clients, bring the family to watch the game, and get a birds eye view of events in the bowl.

From concerts to trade shows, to craft sales, to banquets, and sporting events, whoever is in the bowl will know that your company is a part of supporting our community. Your support will also help the Centre continue to be a thriving hub of activity in the heart of the Southeast.
