

T.G. SMITH WALL AD SPONSORSHIP

Put your business in front of thousands of local families by advertising on the walls of the T.G. Smith Centre. Your brand will gain year-round exposure to participants and spectators attending minor hockey, ringette, figure skating, and other community activities.

Beyond the ice season, your advertisement will continue to be seen during the popular SEC Garage Sale Marketplace each spring and throughout the busy pickleball season, ensuring your message reaches the community across multiple events and seasons.

More than just advertising, this is an opportunity to demonstrate your commitment to the community. Your support helps keep the TG Smith Centre's second ice surface active and available for current and future generations. As a community gathering place, the facility also hosts major events such as Pick-Up-and-

Walk, which fills the Centre with residents from across the region each year. Align your business with a facility that brings people together and showcase your dedication to supporting recreation, health, and community spirit in Steinbach.
