

VOLUNTEER PROGRAM SPONSORSHIP

Sponsor our volunteer crew and be seen by the community at every game or concert that takes place in our facility.

Volunteering is about so much more than giving time—it creates connections, builds community, and gives people a sense of purpose and belonging. For many, the Southeast Event Centre is a place to get out of the house, meet new people, contribute in meaningful ways, and become part of something bigger than themselves. The friendships formed through volunteering often become a second family, fostering positive mental well-being while helping create the welcoming atmosphere that makes the Centre such a special gathering place for our region.

Our volunteers are the heart of every event, whether they're scanning tickets at the door, greeting guests, or assisting visitors throughout the building. By placing your logo on our volunteer vests, your business will be visible alongside the dedicated people who help bring our community together. Not only will you be reaching residents right where they're at— you'll also be demonstrating your commitment to community spirit, mental wellness, and giving back. Your support helps ensure the Centre remains a thriving hub of activity in the heart of Southeast Manitoba for years to come.

SPONSORSHIP TERMS

\$5,000 annually

plus a one-time cost for production
